

# THE BUDGET DOCUMENTS

***Budget of the United States Government, Fiscal Year 2015*** contains the Budget Message of the President, information on the President's priorities, budget overviews organized by agency, and summary tables.

***Analytical Perspectives, Budget of the United States Government, Fiscal Year 2015*** contains analyses that are designed to highlight specified subject areas or provide other significant presentations of budget data that place the budget in perspective. This volume includes economic and accounting analyses; information on Federal receipts and collections; analyses of Federal spending; information on Federal borrowing and debt; baseline or current services estimates; and other technical presentations.

The *Analytical Perspectives* volume also has supplemental materials (formerly part of the printed volume) that include tables showing the budget by agency and account and by function, subfunction, and program. These and other tables and additional supplemental materials are available on the internet at [www.budget.gov/budget/Analytical\\_Perspectives](http://www.budget.gov/budget/Analytical_Perspectives).

***Historical Tables, Budget of the United States Government, Fiscal Year 2015*** provides data on budget receipts, outlays, surpluses or deficits, Federal debt, and Federal employment over an extended time period, generally from 1940 or earlier to 2015 or 2019.

To the extent feasible, the data have been adjusted to provide consistency with the 2015 *Budget* and to provide comparability over time.

***Appendix, Budget of the United States Government, Fiscal Year 2015*** contains detailed information on the various appropriations and funds that constitute the budget and is designed primarily for the use of the Appropriations Committees. The *Appendix* contains more

detailed financial information on individual programs and appropriation accounts than any of the other budget documents. It includes for each agency: the proposed text of appropriations language; budget schedules for each account; legislative proposals; explanations of the work to be performed and the funds needed; and proposed general provisions applicable to the appropriations of entire agencies or group of agencies. Information is also provided on certain activities whose transactions are not part of the budget totals.
